LUNCH LECTURE

A lunch lecture is an easy way to reach many students from all years. A 45-minute lecture is held during lunch with food provided. It's a perfect opportunity to make a more personal connection than a video or online ad, while still reaching a large group, and the opportunity for a Q&A is very appreciated.

What is included:

- 45-minute presentation and Q&A
- Venue rental
- Marketing
- Registration and logistics

* + 150 kr/student for food (up to 32 000 kr).

** + 150 kr/student for food (up to 21 000 kr).

EVENT AT THE COMPANY

Visiting the company's office gives students a good feel for the atmosphere and a chance to mingle. It also allows the company to personalize the event and create a memorable impression. The company provides food and drinks on-site.

Popular with students!

What is included:

- Marketing
- Registration and logistics

10 000 kr

Popular with students!

COMPANY PUB

A company pub is a more personal way to meet students. Every Thursday we host popular pub nights at our student hall. These are highly appreciated opportunities to get to know students and gain valuable exposure.

What is included:

- Pub staff and venue
- Space for a small booth
- Marketing
- 300 bar coupons to distribute to students*
- Food for up to 100 students

40 000 kr

30 000 kr
Ordered a fair package?
Then the price is only

* 30 kr/drink ticket.

VISIT TO STUDENT HALL

The Media Technology chapter has a student hall, META, which is frequently used by students for studying and socializing. You can set up a small booth for a few hours to meet students. META is shared with the Computer Science chapter, providing a great opportunity to reach both groups.

What is included:

- Space for small booth
- Marketing

7 500* kr

*between kl 11 - 14, after 14 an additional 1000 kr/h applies.

EVENING EVENT IN STUDENT HALL

After school hours, the student hall can be used for smaller student events such as hackathons or workshops.

What is included:

- Venue
- Marketing
- Registration and logistics

10 000* kr

* + 150 kr/student for food.

Reach over 500 Media Technology students
through our social media.
Perfect for promoting summer jobs, trainee
programs, and open positions!

(Includes one post on Instagram, LinkedIn,
Facebook, and our internal channels)

3000 kr

SOCIAL MEDIA POST

A poster is put up in our chapter hall, META.
This is also shared with the Computer
Science chapter, it is a perfect opportunity
to connect with two chapters at the same
time.

5000 kr

OTHER CHAPTER PROJECTS:

THE RECEPTION

Excited to collaborate with our chapter's reception? During the reception, we welcome many new students — it's the perfect opportunity to build relationships early in their student life. If you're interested in learning more, we can put you in contact with our reception coordinators.

Still looking?

We're constantly working on new, creative, and fun ways for students to connect with companies — and for companies to meet us. If you don't find something that suits you, we're happy to discuss a custom event, from a secret mission to a treasure hunt — anything under the sun!
